

Declaration of conformity

THIS IS A SAMPLE DOCUMENT SUPPLIED WITH A WEBSITE TEMPLATE.
It is not a real declaration and confers no compliance of any kind.
Replace it with your own before you publish this website.

Placeholder content

Manufacturer	Your company name
Address	Your registered address
Product	Model name and type reference
Directives	To be confirmed by your compliance adviser
Standards	To be confirmed by your compliance adviser
Signatory	Name, position, date

Why this is blank

We will not supply plausible-looking certification numbers with a template.
A buyer who forgets to replace a realistic-looking declaration is in a far worse position than one who is obviously prompted to write their own.
