

WARRANTY

Warranty terms

Sample warranty text supplied with this website template.
Have it reviewed and replaced by your own legal adviser before you go live.

Cover

Frame, fork, rear triangle	3 years
Battery pack	2 years, below 70% capacity
Motor, controller, display	2 years, water ingress included
Wear items	not covered

Not covered

Crash damage, corrosion from salt water, a modified controller or speed limiter, a non-approved battery, and normal wear on pads, tyres and chains.

Making a claim

Bring the bike to any AUMBIKE workshop, or call and we will arrange collection. You get a written diagnosis the same day. Flagship workshops hold frame stock and can swap on the premises.

Servicing elsewhere

Having the bike serviced by another shop does not void this warranty.
